### **AT&S plans to issue a corporate bond**

AT&S AG, Vienna, Austria, May 14, 2008

The management of AT&S Austria Technologie & Systemtechnik Aktiengesellschaft has decided to issue, depending on the market environment, within the next weeks a corporate bond with a volume of EUR 80 million (with the possibility to increase the volume) and a tenor of five years. Unicredit Group (BA-CA) will act as lead manager.
