I. HOLDING AS A VIRTUAL GENERAL MEETING

A. COVID-19 Corporate Act ("COVID-19-GesG") and COVID-19 Corporate Regulation ("COVID-19-GesV")

After careful consideration, the members of the Management Board have decided, due to the ongoing COVID-19 pandemic, the impossibility of foreseeing its further course and the need for planning security with respect to the organisation of a General Meeting, to make use of the existing legal provision for holding a virtual General Meeting. This is supported by the Supervisory Board.

The 28th Ordinary General Meeting of AT & S Austria Technologie & Systemtechnik Aktiengesellschaft on July 7, 2022 will therefore be held as a "virtual General Meeting" based on Section 1 (2) COVID-19-GesG as amended and the COVID-19-GesV as amended.

This means that, in accordance with the Management Board's resolution, shareholders and their proxy holders (with the exception of the special proxy holders according to Section 3 (4) COVID-19-GesV) may not be physically present at the 28th Ordinary General Meeting of AT & S Austria Technologie & Systemtechnik Aktiengesellschaft on July 7, 2022 in order not to endanger the health of the participants.

The virtual General Meeting will be held at the premises of Live Congress Leoben BetriebsgmbH in 8700 Leoben, Hauptplatz 1, with the physical presence of the Chairman of the Supervisory Board, a Deputy Chairman of the Supervisory Board, the Chairman of the Management Board, the other members of the Management Board, the public notary and the four special proxy holders proposed by the Company.

Holding the Ordinary General Meeting as a virtual General Meeting in accordance with the COVID-19-GesV results in modifications to the course of the General Meeting and to the exercise of the shareholders' rights.

In accordance with Section 3 (4) COVID-19-GesV, the exercise of voting rights, the right to submit motions for resolutions and the right to raise objections may only be exercised by granting of power of attorney and issuing instructions to one of the special proxy holders proposed by the Company.

Shareholders can exercise their right to information at the virtual General Meeting themselves by way of electronic communication, namely by sending questions in text form, exclusively via e-mail to the Company's e-mail address **fragen.ats@hauptversammlung.at**, provided the shareholders have timely submitted a deposit certificate within the meaning of Section 10a Stock Corporation Act in accordance with item IV.

B. Transmission of the General Meeting on the Internet

In accordance with Section 3 (1), (2) and (4) COVID-19-GesV in connection with Section 102 (4) Stock Corporation Act, the virtual 28th Ordinary General Meeting will be webcasted in real time in full, in video and audio format.

This is permitted under data protection law with regard to the legal basis of Section 3 (1), (2) and (4) COVID-19-GesV.

All shareholders of the Company can attend the virtual General Meeting on **July 7, 2022 from 10:00 a.m., local time Vienna, onwards** via the internet at **www.ats.net**, using a suitable technical device (e.g. computer, laptop, tablet or smartphone as well as an internet connection with sufficient bandwidth to stream videos). No registration or login is required to follow the General Meeting.

Webcasting the Company's virtual General Meeting grants all shareholders the possibility to follow the entire course of the General Meeting in real time via a one-way audio-video connection and, in particular, to watch the presentation by the Management Board, the answering of shareholders' questions and the voting process as well as to react to developments at the General Meeting.

Please note that this live transmission of the virtual General Meeting does not allow for remote participation (Section 102 (3) (2) Stock Corporation Act) or remote voting (Section 102 (3) (3) Stock Corporation Act and Section 126 Stock Corporation Act) and that the transmission is not a two-way connection. Each shareholder can therefore only watch the General Meeting. Shareholders are therefore not able to make any speeches via this connection.

Further, please also note that the Company is responsible for the use of technical communication means only where such means are attributable to its sphere (Section 2 (6) of the COVID-19-GesV).

We also refer to the information on the organizational and technical requirements for participation in accordance with Section 3 (3) in connection with Section 2 (4) of the COVID-19-GesV ("**Information for Participation**"), which will be available on the website of the Company under **www.ats.net** (Category Investors > Annual General Meeting > 28th Annual General Meeting) as from June 16, 2022 at the latest.
