# Principles and Corporate Governance Declaration

AT&S Austria Technologie & Systemtechnik AG (AT&S) declares its voluntary adherence to the Austrian Corporate Governance Code (ÖCGK) in the amended version as of January 2012.

**CORPORATE GOVERNANCE CODE** In Austria the Corporate Governance Code, drawn up by the Working Group for Corporate Governance under the guidance of the government authorities responsible for the Austrian capital markets has been in force since 1 October 2002. Since then it has been reviewed annually in light of national and international developments and where necessary amended, most recently with effect of 1 January 2012.

The Code contains all the rules essential to good corporate governance, divided into the following categories:

- L Rules (legal requirements): rules based on mandatory statutory requirements
- C Rules (comply or explain): rules from which any departure must be explained
- R Rules (recommendations): rules in the nature of recommendations, where non-compliance need neither be disclosed nor explained.

The version of the ÖCGK currently in force can be downloaded from the Working Group's website. An English translation of the Code and interpretations of the Code prepared by the Working Group are also available there.

For many years, AT&S has followed a strategy designed to further the long-term, sustainable growth of the Group's value. AT&S has been listed on the Vienna Stock Exchange since May 2008, and since then the company has subscribed to the Austrian Corporate Governance Code. An undertaking to comply with the ÖCGK is a condition prerequisite for the listing of Austrian companies on the Vienna Stock Exchange Prime Market. AT&S's commitment to the principles of good governance is reflected in the open discussions that take place within and between the Management Board and the Supervisory Board.

By the following commitments, AT&S has complied with all the provisions of the ÖCGK in the version of January 2012 since 31 March 2012:

**C RULES 27-28A AND ALL RELATED PASSAGES:** These rules were amended in the course of the review of the ÖCGK in December 2009 and came into force on 1 January 2010. Rules 27, 27a and 28 contained in the version of January 2010 only apply to contracts concluded after 31 December 2009. As a result, these rules do not apply to the appointment of Mr Moitzi to the Management Board. Due to the short period between the most recent review of the ÖCGK and the appointment of Mr Gerstenmayer as Chairman of the Management Board in mid-December 2009, and in order to avoid any departure from the remuneration provisions applicable to the appointment of Mr Moitzi, the new rules were not taken into consideration in the contract concluded with Mr Gerstenmayer in January 2010. These rules were also not included in the Management Board appointment agreed with Mr Obendrauf in October 2010, in order to avoid any unequal treatment of individual Management Board members.

**MANAGEMENT BODIES OF A PUBLIC LIMITED COMPANY** The Management Board is responsible for managing the affairs of the company so as to further the wellbeing of the company, taking into consideration the interests of shareholders, employees and the general public. Members of the Management Board are appointed by the Supervisory Board.

The Supervisory Board is responsible for overseeing the management of the company and is required to convene at least once a quarter. Members of the Supervisory Board are appointed by the General Meeting. In addition, the employee representatives are entitled to delegate one representative as a Supervisory Board member for every two Supervisory Board members elected by the General Meeting.

The General Meeting is the primary forum for shareholders to exercise their participatory decision-making rights as provided under statute and the company's articles of incorporation.

# AT&S AG Management Board

The Management Board is collectively responsible for the management of the company. Each member of the Management Board is also responsible for specific areas of the business – which does not affect their collective responsibility. Management Board members have a duty to keep each other informed of all important business events and transactions. Fundamental issues of business policy and major decisions require the joint decision of all Management Board members. Open discussions take place between members of the Management Board during Board meetings. If unanimous agreement is not reached on such decisions, the Chairman of the Supervisory Board must be informed without delay.

The Supervisory Board must also be informed of all proposed decisions with far-reaching consequences. The Management Board must inform the Supervisory Board at least once a year of measures taken to combat corruption in the Group. Internal audit has been set up as a separate organisational unit answerable to the Management Board. The audit plan and any material outcomes must be reported to the Audit Committee at least once a year. The rules and procedures of AT&S's Management Board require the Board to meet at least once a month. A total of 27 Management Board meetings were held in the past financial year. The minutes of all Board meetings and decisions must be taken in writing.

# Independence of Supervisory Board Members

The ÖCGK requires the majority of supervisory board members representing the shareholders be independent. In accordance with C Rule 53, the Supervisory Board has established the following criteria for the determination of the independence of its members.

Supervisory Board members are to be regarded as independent if they have no business or personal relationships with the Company or its Management Board which could be cause for material conflicts of interest and therefore liable to influence the behaviour of the member in question. The following criteria are applied in determining the independence of Supervisory Board members:

- The Supervisory Board member was neither a member of the Management Board nor a senior manager of the Company or one of its subsidiaries in the past five years.
- The Supervisory Board member neither had during the last financial year nor currently has a business relationship with the Company or any of its subsidiaries of material significance to that member. This also applies to business relationships between AT&S Group and enterprises in which the Supervisory Board member has a significant economic interest.
- The Supervisory Board member was neither a statutory auditor of the Company, nor a person with an interest in the audit firm, nor an employee of any such firm during the last three years.
- The Supervisory Board member is not a member of a management board of another company where a member of AT&S's Management Board is a member of that company's supervisory board.
- The Supervisory Board member has not been a member of the Supervisory Board for longer than 15 years. This does not apply to Supervisory Board members who are shareholders with entrepreneurial interests in the Company, or who represent the interests of such shareholders.
- The Supervisory Board member is not a close family relative (direct descendant, spouse, lifetime partner, parent, uncle, aunt, sibling, nephew or niece) of a Management Board member or of any person in a position described in the foregoing points.

Every member of the Supervisory Board representing shareholder interests has given a statement on his/her independence in terms of the above criteria at the meeting of 16 March 2012. Seven of the eight members of the AT&S AG Supervisory Board representing shareholder interests declared that they were independent. Hannes Androsch declared that he was not independent.

C Rule 54 specifies that companies with a free float in excess of 50% require at least two Supervisory Board members to be independent in terms of C Rule 53, and who should also not be shareholders or representatives of shareholders with interests in excess of 10%. Willibald Dörflinger, Karl Fink, Albert Hochleitner, Regina Prehofer and Karin Schaupp, thus five of eight capital representatives, declared themselves independent in terms of C Rule 54.

**DIVERSITY** Expertise and management experience are vital considerations when selecting members of the Supervisory Board. Diversity also plays a role. Three members of the Supervisory Board are women, taking the proportion of female members to 25% – significantly above the Austrian average. The members of the Supervisory Board are aged between 42 and 74. All members of the Supervisory Board representing shareholder interests have extensive experience of international business and as such have a high degree of internationality.

**AGREEMENTS REQUIRING APPROVAL** In connection with various acquisitions and projects, AT&S Group has procured consultancy services from AIC Androsch International Management Consulting GmbH, which is headed by the Chairman of AT&S's Supervisory Board. In the financial year 2011/12, fees for such services amounted to EUR 385,000.

The Group has procured consultancy services from Willibald Dörflinger, Deputy Chairman of the Supervisory Board. In the financial year 2011/12, fees for such services amounted to EUR 4,000.

The Group has procured consultancy services from Georg Riedl. In the financial year 2011/12, fees for such services amounted to EUR 4,000.

# Committees

For its effective support and for dealing with complex technical matters, the Supervisory Board has established two committees which carry out detailed analysis of particular issues and report their findings to the Supervisory Board.

**AUDIT COMMITTEE** In the financial year under review, the Audit Committee comprised:

- Willibald Dörflinger (Chairman)
- Gerhard Pichler (finance expert)
- Georg Riedl
- Wolfgang Fleck
- Günther Wölfler

The Audit Committee monitors the accounting process and the work of the statutory auditor, monitors and reviews the statutory auditor's independence, reviews the preparation and audit of the annual financial statements, and reviews the proposed distribution of profits, the management report and the corporate governance report. The Committee is responsible for reporting on the results of its reviews to the Supervisory Board. The Audit Committee also carries out preparatory work for the Supervisory Board on all issues in connection with the audit of the consolidated financial statements, consolidated management report and the consolidated accounting process. It also submits a proposal for the appointment of the statutory auditors and reports on this matter to the Supervisory Board.

The Audit Committee is responsible for monitoring the effectiveness of the group-wide internal control system and, where appropriate, the Company's internal audit and risk management systems. The Audit Committee convened twice in the last financial year. Its activities focused primarily on the discussion and review of the annual and consolidated annual financial statements for the year ending 31 March 2012, the planning and preparation for the audit of the annual and consolidated annual financial statements for the financial year 2011/12, and the discussion of the risk management, internal control and internal audit systems. The Chairman of the Audit Committee was also involved in the quarterly reporting in the period under review and reported on these matters to the Audit Committee.

**NOMINATION AND REMUNERATION COMMITTEE** In the financial year under review, the Nomination and Remuneration Committee comprised:

- Hannes Androsch (Chairman)
- Karl Fink
- Albert Hochleitner
- Wolfgang Fleck
- Johann Fuchs

The Nomination and Remuneration Committee submits proposals to the Supervisory Board for appointments to fill vacancies on the Management Board whenever necessary. It deals with succession planning issues, the remuneration of Management Board members and the details of their contracts of appointment. The Nomination and Remuneration Committee is authorised to make decisions in cases of urgency.

The Nomination and Remuneration Committee was not required to convene in the financial year 2011/12; any relevant matters were discussed in the plenary sessions of the Supervisory Board. All of the committee members representing shareholders are former management board chairmen or managing directors with knowledge and experience of remuneration policies.

The variable remuneration paid to Steen E. Hansen in the financial year 2010/11 mainly comprised contractual severance payments and the settlement of other claims in relation to the premature termination of his Management Board appointment.

The number of share options allocated to serving members of the Management Board is as follows:

	Allocated on 1 April				Total
	2008	2009	2010	2011	
Andreas Gerstenmayer	n.a.	n.a.	40,000	40,000	80,000

<sup>1</sup> Thomas Obendrauf was previously a member of the Stock Option Scheme in his senior management position. The new allocation of options on 1 April 2011 reflected his promotion to the Management Board.

The stock option-based system of Management Board remuneration at AT&S is based on the Stock Option Scheme 2009–2012, which ran from 1 April 2009 to 1 April 2012. The options granted can be exercised in tranches: up to 20% after two years, up to 30% after three years, and up to 50% after four years following allotment. Stock options may be exercised in whole or in part after completion of the vesting period, although not during a restricted period. Allotted options not exercised within five years of the grant date expire without compensation.

In the financial year 2011/12 the variable remuneration of the Management Board not consisting of stock options and of all employees with variable remuneration elements depended on the achievement of two performance indicators defined in the budget, with equal weight attached to return on capital employed

(ROCE) and cash earnings. The weighting of these two performance indicators for top management was reduced (from 50% to 45%) and the Innovation Revenue Rate (IRR) was introduced with a 10% weighting for the first time in the financial year 2011/12. Bonuses were restricted to a maximum of 200% of the annual bonus set out in the contract of employment.

Management Board members are entitled to termination benefits in accordance with the Salaried Employees Act (AngG) if their employment is terminated. In the event of premature termination of a Management Board member's employment by the member of the board for cause, or where the function ceases to exist for corporate law reasons, remuneration is payable until the end of the appointment contract. Where a Management Board member resigns the appointment or is removed from office for severe breach of duty, and in case of death, payment of salary ceases at the end of the applicable month.

Management Board pension entitlements are governed by individual defined-benefit agreements or defined contribution plans. Mr Moitzi was awarded pension entitlements of 1.2% of his most recent salary for each year of service, up to a maximum of 40%. A contribution of 10% of the gross monthly salary of Mr Gerstenmayer and Mr Obendrauf is paid into a pension fund.

# Other Codes of Conduct

## **INCREASING FEMALE REPRESENTATION AT BOARD AND SENIOR MANAGEMENT LEVEL**

Two of the eight members of the AT&S Supervisory Board representing shareholder interests are women, and the employee representatives delegated a further female member to the Supervisory Board. At 25%, the proportion of female Supervisory Board members is significantly above the Austrian average. 14% of the senior management positions in the two levels directly below Management Board level are held by women. 36% of the Group's employees are female. The Group continues its efforts to increase female representation at board and senior management level.

## **AT&S CODE OF BUSINESS ETHICS AND CONDUCT**

In addition to the ÖCGK, AT&S has established its own code of business ethics, which describes how AT&S conducts its business in an ethical and socially responsible way. The guidelines apply to all AT&S's activities worldwide, and all AT&S employees without exception are expected to abide by the Code in the exercise of their business and professional activities and their daily work. Stricter or more detailed guidelines may be

established for specific regions, countries or functions, but they must be consistent with this corporate policy. Under one of the main provisions of the code, AT&S is committed to avoiding any form of discrimination on the basis of race, religion, political affiliation or gender in activities such as recruitment, remuneration and promotion. Performance is the decisive factor.

**AT&S COMPLIANCE CODE** AT&S supports the Austrian Corporate Governance Code's aim of raising domestic and foreign investors' confidence in the Austrian financial market by enhancing transparency and introducing universal principles. AT&S attaches great importance to equal treatment of all investors and the provision of comprehensive information. The Group has adopted a Compliance Code ("Extended Group Guidelines on the Prevention of Misuse of Insider Information") which covers all Supervisory Board members and complies with the provisions of the Issuers Compliance Regulation of the Austrian Financial Market Authority and all other statutory regulations applicable to the financial markets. The Compliance Officer constantly monitors adherence to these guidelines.
