About AT&S

AT&S Austria Technologie & Systemtechnik Aktiengesellschaft is European market leader and one of the world's strongest-performing printed circuit board manufacturers. AT&S is extremely well positioned in the market for high-tech HDI Microvia printed circuit boards, which are chiefly used in mobile devices. The company is also highly successful in the automotive, industrial, and medical sectors. As a high-growth international enterprise, AT&S has a global presence with six production facilities – three in Austria (Leoben, Fehring, Klagenfurt) and one each in India (Nanjangud), China (Shanghai), and Korea (Ansan, near Seoul) – and 17 sales and marketing offices. The group employs more than 6,300 people worldwide and generates revenues of almost half a billion Euro.
