Supervisory Board of AT&S appoints DI Andreas Gerstenmayer as new Chairman of AT&S's Management Board

DI Andreas Gerstenmayer will take over the position of Chairman of the AT&S Management Board on 1 February 2010. Dr. Harald Sommerer will resign from the Management Board end of January 2010.

In today's meeting, the AT&S Supervisory Board decided that DI Andreas Gerstenmayer (44) will take over the position of Chairman of the Management Board as per 1 February 2010. He will succeed Dr. Harald Sommerer who has been Member of the Management Board of AT&S since September 1997 and who will resign from the Board end of January.

Mr Gerstenmayer studied mechanical engineering at the FH Rosenheim. Following a successful career within Siemens Group he became partner of FOCUSON Business Consulting GmbH. Mr Gerstenmayer is married and has three children.

About AT&S

AT&S Austria Technologie & Systemtechnik Aktiengesellschaft is European market leader and one of the world's strongest-performing printed circuit board manufacturers. AT&S is extremely well positioned in the market for high-tech HDI Microvia printed circuit boards, which are chiefly used in mobile devices. The Company is also highly successful in the automotive and industrial and medical technology sectors. As a vigorous and growing international enterprise, AT&S has a global presence with three production facilities in Austria (Leoben, Fehring, Klagenfurt) and one each in India (Nanjangud), China (Shanghai) and Korea (Ansan, near Seoul).
